## "JACK" CESSNA IS ELECTED TO H.S. FACULTY

Plans for the development of a new course at Gettysburg high school which will prepare seniors for future service in radio work, the signal corps and the air corps of the armed forces of the United States were made known by the Gettysburg school board today with the announcement of the election of John P. (Jack) Cessna, Baltimore street, as a new member of the high school faculty.

Cessna, who majored in physics at Gettysburg college, will teach physics at the high school, while John W. Black, who has been instructor in physics, will take the position resigned by C. Russell Gilbert recently as instructor in biology.

## Pre-Flight Instruction

Special attention will be given to phases of physics related to radio and signal corps work with a pre-flight course in aviation scheduled for the second semester of the senior year.

The new teacher is an alumnus of the high school. He was graduated from Gettysburg college in 1940. He took a year of post-graduate work in education and advanced physical sciences and since last December has been teaching science in eighth and ninth grades of the junior high school at Hershey.

## To Start Duties Soon

He is the son of Mr. and Mrs. C. Paul Cessna, Baltimore street. He will begin his new duties here as soon as he is released by Hershey, possibly by the middle of next month.

The local school directors set Cessna's salary at the minimum for high school teachers, \$1,200 a year. However he will get the benefit of the \$5 per month raise recently voted all regular teachers in the local schools so that his starting salary will be \$1,260 per year.

## DEMOCRATS TO HEAR 3 LEADERS

Three persons prominent in state Democratic circles have been scheduled as speakers for the pre-election county-wide Democratic rally to be held Friday evening at 8 o'clock in the court house when local candidates also will be heard. It was announced today by Carl W. Kane, Democratic county chairman.

Heading the list of guest speakers is Leo A. Achterman, Monroe county lawyer and legislator and Democratic floor leader in the lower house at Harrisburg. A former county chairman of his home county, he is serving his fourth consecutive term in the legislature. He was a candidate for his party's nomination for secretary of internal affairs at the spring primaries.

Warren G. Hess, Democratic nominee for secretary of internal affairs, and Miss Marie Bickert, a state vice chairman of the Democratic party, also will come here to address the rally. Congressman Harry L. Haines, seeking re-election, and George L. Baugher, who is asking to be returned to the General Assembly, also will address the meeting.

Chairman Carl Kane also announced today that the old cannon, "Penelope Ann," which once was used to announce Democratic victories in Adams county but now has been consigned to the war scrap pile, will be placed on display this week in the Baltimore street office of Philip R. Bickle instead of in the Democratic headquarters on Chambersburg street as was previously announced. The gun is too large for the Chambersburg street quarters.

The gun is the successor to "Penelope," the original cannon used to signal Democratic triumphs at the polls. The first gun was destroyed and "Penelope Ann" later was presented to take her place. The gun will remain on display until after the election when it will be turned over to the salvage drive.

## M. D. DeTar Named O.P.A. Consultant

M. David DeTar, York street, president of the Aero Oil Company of New Oxford since its organization 13 years ago today, has been appointed a special consultant in the Office of Price Administration at Washington, D. C. The appointment was made as of last Monday and Mr. DeTar already has begun his new duties.

He was in Gettysburg over the weekend and said he expects to continue his residence here and will retain his connections with the oil company.

## Cup A Day Provided Under Coffee Rationing Due Nov. 28

Washington, Oct. 26 (AP)—Coffee will be rationed starting at midnight, November 28, at a rate of one pound every five weeks for each person over 15 years old, the Office of Price Administration announced today.

"On the basis of 35 to 40 cups to the pound, the ration means slightly more than a cup a day per person. Retail sales will be halted at midnight, November 21, Price Administrator Leon Henderson said, for a week-long freeze during which grocers will stock their shelves for the start of rationing.

The first rationed coffee will be purchased on the last stamp in the sugar ration book, stamp No. 28. Subsequent rations will be issued by working backwards through the sugar book, using stamps No. 28 to No. 19, in sequence.

**Excessive Buying Blamed**

The War Production Board ordered OPA to take control of consumer distribution to assure an equal supply for all, Henderson said, and attributed the emergency action

## HEART ATTACK CAUSES DEATH OF MRS. M. A. WIBLE

Mrs. Margaret A. Wible, 76, widow of David B. Wible, died suddenly from a heart attack this morning at 8 o'clock at the home of her son-in-law and daughter, Mr. and Mrs. John H. Basehore, 68 East Middle street, with whom she made her home for the last three years.

She had been in her usual health and was stricken shortly after arising this morning and died within 15 minutes. Dr. C. G. Crist, Adams county coroner, investigated and signed the death certificate.

The deceased attended Adams county schools and Sheely's private school. For a number of years she taught in the county. Prior to moving to the Basehore home she resided at the Peach Orchard farm on the battlefield. She was a member of St. James Lutheran church and was recently made a life member of the Missionary society.

Surviving are four children, Mrs. Arthur E. Hutchinson, West High street; Charles M. Wible, Moorestown, New Jersey; Mrs. Carl S. Kimes, Ardmore, and Mrs. Basehore; seven grandchildren, and one sister, Mrs. Effie Plontz, Pocahontas, Iowa.

Funeral arrangements will be announced later.

## Countian Ends Life

Harvey Eisenhour, 60, took his life at his home in Cumberland township early Sunday morning by slashing his jugular vein and arteries in his neck with a safety razor blade. An attendant found the body about 8 o'clock after breaking open a locked door into Eisenhour's room.

Dr. C. G. Crist, Adams county coroner, listed the case as suicide and estimated that death had occurred about two hours before the body was found. The man had been in ill health for about two years. He was blind.

He was son of the late Henry and Mary (Smith) Eisenhour. For a number of years he farmed in Adams county.

Surviving are a daughter, Geneva, Cumberland township, and one brother, John, Union Deposit, Pa.

Funeral services from the Bender funeral home Tuesday afternoon at 2 o'clock conducted by the Rev. Dr. N. B. Thomas. Interment in Evergreen cemetery.

## Mrs. Annie E. Kappes

Mrs. Annie E. Kappes, 69, 229 North Stratton street, widow of Charles A. Kappes, died at the Warner hospital Sunday afternoon at 1:10 o'clock from a complication of diseases. She had been ill for some time and became seriously ill last Tuesday when she was admitted to the hospital.

The deceased was born and always resided in Adams county, a daughter of the late Hanson and Annie (Rose) Lightner. She attended Adams county schools and was a member of St. James Lutheran church.

Surviving are a daughter, Mrs. Alexander Karas, Gettysburg; one son, Wilbur W. Kappes, at home; two grandchildren; one brother, Arthur Lightner, Gettysburg R. D., and two sisters, the Misses Maude and Kate Lightner, Gettysburg.

Funeral services from the late home Wednesday afternoon at 2 o'clock conducted by the Rev. R. R. (Please Turn to Page 2)

## FINED \$5

This morning William K. Ruiz, Biglerville R. D., was fined \$5 and ordered to pay the costs on a disorderly conduct charge by Justice of the Peace Robert P. Snyder. The arrest was made Saturday evening by Chief of Police Glenn Guise.

## Here And There

News Collected At Random

The name "GETTYSBURG" will be given every consideration by the United States Navy Department when the new aircraft carriers, now under construction, will be assigned names.

Read Admiral Randall Jacobs, Chief of Navy Personnel, advised the editor of The Gettysburg Times today through Captain C. C. Baughman, Director of Special Activities of the Navy Department, that the name "GETTYSBURG" has been placed on the Bureau's list of names for aircraft carriers and it will be submitted to the Secretary of the Navy for consideration when the time arrives for the assignment of names to the new carriers.

"Naturally, stories and rumors will be creeping around about what we propose to do. Most of them will be entirely garbled and thus create more confusion and hysteria than even now exists on the subject of coffee. We are therefore stating what we plan to do so the public can get the story straight and from an official source."

Eligibility will be determined by the age shown on war ration book No. 1—the sugar book. If the age shown when the book was issued in May was 15 or older, the holder is entitled to coffee rations; if 14 or younger, the book is not valid for coffee purchases. Use of the book for sugar will continue as in the past.

## Shipping Is Problem

In the light of "normal" United States per capita consumption, the new yearly ration rate of 10.4 pounds for each of the country's 93,000,000 adults "certainly is not a drastic reduction," Henderson asserted. It compares, however, with 16 pounds per capita in 1941, the all-time high consumption year.

Pull details of beverage rationing, including the method of distribution to hotels, restaurants and other commercial users, will be given out in the next few days, OPA said.

Behind the whole problem is the shortage of shipping; there is ample coffee in Brazil, biggest U. S. source of imports, and at least normal supplies are in this country. However, even in normal times only a two-or-three-months' supply is held in this country. Added to the shipping uncertainty is the steeply-mounting military demand and bigger civilian purchasing power.

However, WPB officials believed the country could have got along fairly well under informal rationing of grocers—"one pound to a customer"—had not the buying surge by householders developed.

## Definition of Dealer

Some of the consumers' forms, which will be distributed by the dealers, already are on hand and will be turned over to the dealers. All businesses that handle fuel oil and kerosene—including country stores that retail the fuel in small quantities—are regarded as dealers for the purposes of the rationing program.

Estimates on file at the county rationing board office place the number of various types of users of fuel oil and kerosene as follows: 322 private dwellings; 155 multiple dwellings, 150 industrial, commercial and governmental users, and 7,600 domestic, institutional and governmental users.

## 2 Advisors Appointed

The county board also announced the appointment of two technical advisors to the county and local rationing boards for the purposes of the fuel oil and kerosene rationing program. They are J. H. Dutterm, New Oxford, and M. J. Shue, Gettysburg R. 3.

After fuel oil consumers receive and complete the application forms for their ration of fuel oil, the forms are to be mailed to their respective local rationing board office.

Mr. McPherson warned today that special discounts allowed by fuel oil dealers for cash payment, quantity purchased or other considerations during the period from October 1 to 15, must be continued under the OPA price regulation which fixes maximum prices for fuel oil.

## 2 CATFISH MAY COST OVER \$40

Two catfish caught in Rock creek by two Littlestown men may cost the fishermen more than \$20 each, it was disclosed today with the filing of charges before Justice of the Peace Robert P. Snyder by County Fish Warden John S. Ogden accusing the pair of using illegal fishing devices.

The defendants are Earl D. Sentz and H. D. Nester, both of Littlestown. The fish warden made the arrest about 7:40 o'clock Sunday morning along Rock Creek in Mt. Joy township where he said the men had set about 50 outlines or "trots" by attaching lines and hooks to pieces of corn fodder which had been left floating on the stream all night. Only two catfish were taken from the 50 lines.

The justice has notified the men to forward a \$20 fine each in addition to money to pay the costs or to appear on Friday evening for hearings.

## Damage Suit Is Based On Accident

A traffic accident which occurred on August 6, on the Lincoln highway at its intersection with the Granite-Bonneauville road resulted this morning in the filing of a damage suit in the office of Prothonotary Lee M. Hartman at the court house by John P. Butt, Esq., as counsel for D. Rush Mellott and his 19-year-old son, Nelson E. Mellott, Gettysburg R. D., Mt. Pleasant township.

The defendants are Glenn and Katherine Tuckey, Aspers, R. 1.

In the collision which occurred between vehicles operated by Nelson Mellott and Katherine Tuckey, the former suffered injuries that resulted in the amputation of his right arm, it is alleged in the statement of claim.

The defendants are allowed 15 days in which to enter a defense to the suit.

## FACES LIGHT CHARGE

John K. Cassatt, Gettysburg R. 1, has been charged before Justice of the Peace Robert P. Snyder by Borough Officer L. E. Wisler with passing a red traffic light at the intersection of Baltimore and Middle street on Saturday. A ten-day notice has been issued.

## Quarantines 2 More Scarlet Fever Cases

Two additional cases of scarlet fever have been quarantined in the county by William I. Shields, county health officer, it was announced today. One home was placarded Saturday afternoon and the other this morning.

On Saturday Mr. Shields placed

the home of Mr. and Mrs. James F. McFarland, New Oxford R. 2, under quarantine because of the illness of Richard McFarland, aged nine years.

This morning the home of Herbert Shriner, Littlestown R. 2, was placarded because of the illness of Ronald Millimes, aged one year, a member of the household.

## Birth Announcements

Mr. and Mrs. Stanley Musselman, of Dover, York county, formerly of Fairfield, announce the birth of an eight-pound daughter, Elizabeth Ann, on October 23.

Mr. and Mrs. Henry Byers, Gettysburg R. 4, announce the birth of a son at the Warner hospital this morning.

A son was born at the hospital Saturday to Mr. and Mrs. Charles Champlain, South Washington street.

## CALLED FOR FEDERAL JURY

H. A. Bucher, Orrtanna, has been drawn for petit jury duty in federal court at Scranton. He will report for duty on November 4.

## FINE \$5

This morning William K. Ruiz, Biglerville R. D., was fined \$5 and ordered to pay the costs on a disorderly conduct charge by Justice of the Peace Robert P. Snyder. The arrest was made Saturday evening by Chief of Police Glenn Guise.

# Allied Planes Rule Skies; Rommel Fails To Close Gaps; U. S. Balks Five Jap Thrusts

## Foe Succeeds In Landing Troops

Washington, Oct. 26 (AP)—Despite incessant pounding of their Naval supports, the Japanese have landed fresh troops on Guadalcanal and are hammering determinedly at American defenses.

The Navy reported last night that enemy troops, using tanks and heavy artillery barrage, threw themselves against the western defense lines five times Friday night and Saturday morning.

Japs Hurled Back

The first four attacks were repulsed by Army and Marine corps troops and artillery batteries which destroyed five enemy tanks. There was no mention of American tanks in action.

The fifth onslaught, early Saturday morning, was broken up by aircraft and artillery, with the loss of one United States plane.

Yesterday morning additional enemy troops were landed from transports on the northwest end of Guadalcanal, the Navy reported, adding:

"No amplifying report of these operations has been received."

American bombers and fighters, sweeping out from the Guadalcanal airfield and other Allied bases, continued to slam away at Japanese ships, damaging or possibly damaging five warships and three merchant vessels and sinking a gunboat.

In addition, General MacArthur's Australian headquarters reported that American flying fortresses had sunk a Japanese gunboat and damaged three merchant vessels at Rabaul, New Britain, bringing to about 100,000 tons the toll of shipping destroyed or damaged at that port in three nights.

The land fighting which started on Guadalcanal Friday night was preceded by an aerial attack during which our Grumman "Wildcats" destroyed an entire fighter escort of 20 zeros, shot down one of 16 enemy bombers and damaged three others.

## RADIO PROGRAMS

New York, Oct. 24 (AP) - Girl Scouts today are singing "America Needs You" as their own song. Last night a chorus of 50 of them sang it publicly for the first time as it was formally presented by its composer, Kent Cooper, general manager of The Associated Press, who wrote both words and music.

Watching the presentation, made in the Lucille Manners concert on the coast to coast NBC, was a studio audience of more than a thousand other Scouts. Included was an assignment to the Scout council of greater New York of all royalty rights.

In dedicating the composition to them, Mr. Cooper declared: "I salute the Girl Scouts for what they stand for and for what they are doing. I can truly say to each Girl Scout, America needs you."

MONDAY AND TUESDAY

The boys in Glenn Miller's orchestra not only have what it takes when it comes to music, but they're good at acting.

They demonstrated this while working in 20th Century-Fox's latest musical, "Orchestra Wives," which is due Monday at the Majestic theatre.

The boys had speaking parts in one of those complicated scenes which seem to be designed to make a director prematurely bald. Archie Mayo, the director, had worked out the scene carefully—the action, who speaks when and to whom, and so on. The stars, who include George Montgomery, Ann Rutherford, Lynn Bari, Cesar Romero, Jackie Gleason and Frank Orth, seemed unable to synchronize the action and dialogue.

WEDNESDAY

One exciting division of Walt Disney's new full-length "Fantasia," which plays at the Majestic, Wednesday, is the re-creation of the lost world of the dinosaurs of the Mesozoic Age. Some of these beasts were a hundred feet long and twenty tons in weight. Their awesome movements, in "Fantasia," are set to the savage and barbaric modern rhythms of Stravinsky's "Rite of Spring."

In contrast to these huge animals are the incredibly delicate and beautiful flowers and frost elves of the

"Nutcracker Suite."

THURSDAY

The first motion picture to reveal the shocking events that led to the evacuation of Japan from the coastal areas plays Thursday at the Majestic theatre with the arrival of 20th Century-Fox's exciting, thrill-packed film, "Little Tokyo, U.S.A."

Although the original screen play is fictional, all incidents in the picture having to do with espionage are based on cold, hard facts gleaned from the records of the Dies committee. And Producer Bryan Foy has seen to it that these facts are hammered home with telling accuracy.

Little Tokyo, the Japanese sector of Los Angeles, is the local of the story. Preston Foster, as a detective, and Brenda Joyce, as a radio commentator, set out to unmask the Axis-spawned traitors of this sinister city-within-a-city and in doing so, they provide enough mystery, romance and thrills to satisfy even the most avid moviegoer.

FRIDAY AND SATURDAY

# SALESMEN ARE TAKEN FROM 'C' SPECIAL CLASS

Washington, Oct. 26 (AP)—A general tightening of eligibility for "C" ratings of gasoline, in connection with nation-wide mileage rationing beginning November 22 was announced today by the Office of Price Administration.

OPA announced the elimination of all types of salesmen from the preferred mileage class. In the eastern mileage rationing plan most salesmen were barred from preferred mileage, but men engaged in the sale of productive equipment held necessary to the war effort were allowed "C" status.

Under the nation-wide mileage rationing program, "C" ratings may be issued to certain maintenance and repairmen provided that transportation is not sought for purposes of selling, merchandising or promoting.

In no event will more than 470 miles of occupational driving a month be allowed unless the applicant is within one of the preferred mileage classifications.

## ARMY OF NILE

(Continued From Page 1) however, were said to be moving up to meet the advancing British forces, and it was these units upon which the full fury of the allied aerial assault was concentrated.

Official quarters gave few details yesterday on the progress of the land fighting, limiting themselves to the announcement that the enemy's main positions had been penetrated at some points, but there was evidence of quiet confidence in the outcome.

Lieut. Gen. B. L. Montgomery, commander of the Eighth Army, said that plans for the offensive had been well-laid and that its objective was to "destroy Rommel and his Army."

While the full strength of the forces massed by the allies remained a military secret, it was generally believed that they held superiority in men, tanks, guns and planes.

According to best estimates, Rommel has about 125,000 men at his disposal. These include two German armored divisions, two Italian armored divisions—the Trento and Folgola; a German motorized division; a partially motorized German infantry division; and at least six Italian infantry divisions.

**No U. S. Ground Forces Used**

No American ground forces were engaged in the initial operations, but the United States Army Air forces have been playing a major role.

A communiqué issued by U. S. Army headquarters yesterday said that fighters, fighter-bombers and medium bombers of the desert air task force had made continuous and repeated attacks on enemy positions, gun emplacements and motor vehicles.

Despite the extent of the allied aerial operations yesterday only 12 planes were reported lost, and the crews of some of these were saved. One Axis plane was downed—a disparity in losses apparently accounted for by the fact that few enemy aircraft dared take the air.

While the battle raged on in the Egyptian desert and in the skies above, British submarines continued their attacks on the enemy's Mediterranean supply lines in an effort to prevent Rommel obtaining reinforcements of men and equipment.

**Five Italian Ships Sunk**

An Admiralty communiqué issued yesterday in London reported the sinking of five Italian supply ships, listed an enemy destroyer and an armed merchant cruiser as probably sunk and said that five other supply ships had been heavily damaged.

These losses, the bulletin said, brought to 24 the number of Axis supply ships sunk or damaged by British submarines in the Mediterranean during October.

## Hospital Report

#### SCOUTS PLAN DISTRICT RALLY

Plans for a fall rally of all Boy Scouts of the Black Walnut (Gettysburg) district were made for Saturday afternoon, November 23, on the Gettysburg high school grounds by the district leaders' association at a meeting here on Sunday afternoon with District Commissioner Jacob Cessna presiding. Some changes will be made in the rally program and procedure, it was announced.

It was decided also by the leaders that instead of a single Christmas party for the district, each community in the district should hold its own party. Commissioner Cessna is in charge of the party for the purpose of packing the soldiers' kits for which the money has been raised. At this meeting members of the Gardners, Idaville, Bendersville and Aspers communities who have contributed to the fund or who are interested in the work will be invited to be present.

The proposal to defer agricultural workers came before the House today as a Senate addition to a revised bill making 18 and 19-year old men liable for military service.

# Gettysburg College Easily Defeats F. And M. 20-0 To Knot Long Series

## BULLET PASSES PROVE UNDOING OF DIPLOMATS

Gettysburg College snapped a two-game losing streak here Saturday afternoon by defeating an outclassed Franklin and Marshall football team in an Eastern Pennsylvania Conference game 20-0 before a Homecoming crowd of approximately 5,000 fans.

The victory evened the long series between the time honored rivals at 23 wins apiece with four ties.

Three times the Bullets found their attack stalled by a determined Diplomat defense after deep penetrations into enemy terrain but the inability of Coach Barker's lads to stop the Gettysburg aerial attack permitted Bullet tallies.

The Bream-men reached the F. and M. 2-yard stripe early in the first period but could not score. Following the kickoff and an exchange of punts, Chuck Beaver recovered a Diplomat fumble on the visitors' 34.

### Drive Fails

Jim Hardy went off right tackle and battered his way 14 yards to the 20. Aided by a 5-yard penalty and a six-yard gain by Wileman through the left side of the line, Gettysburg made a first down on the eight. Hardy picked up four yards through the right side of the line and Cervino added two at left tackle. Cervino failed on another line stab and on the final play Hardy was thrown for a three-yard loss, F. and M. taking over on the five.

Late in the period the Bullets took the ball on their own 30 and launched a drive which resulted in a touchdown on the first play of the second period. Hardy whipped a pass to Roberts which was good for 24 yards to put the ball on the F. and M. 43.—On two plays Hardy got a first down on the 31. A pass, Hardy to Yovicsin, produced another first down on the 20.

### Penalty Helps

Hardy went around right end for 8 yards and a holding penalty put the ball on F. and M.'s one-yard line. The Diplomats put up another fine goal-line stand and held for three straight plays but on the first play in the second quarter Cervino plunged through for just enough yardage for a score. Blackwood booted the extra point on a placement.

The Bullets kept their opponents deep in their own territory in the second period and midway in the quarter took the ball on the F. and M. 44 through a punt. March and Powers receded off a first down to the 32. Hardy then dropped back to midfield and hurled a 50-yard pass to Tony Yovicsin in the end zone for a score. Blackwood's kick was wide. Aided by a 40-yard run by March which carried the ball to the enemy's 35, Gettysburg marched to the nine where it lost the ball. Hardy passed to Hart for 17 yards for a first down on the 18. Hardy picked up two yards on a line buck and after a pass was grounded and another completed for no gain. Hardy went seven yards through right tackle and just missed a first down, F. and M. taking over on the nine.

Trees punted out to his own 25. Beaver and March made a first down on the 13 but the Diplomats braced and took the ball on the eight.

### Pass For Another Score

Al Hart recovered Henderson's fumble on the 24 to set the stage for the final touchdown. Hardy again found the marks on a forward pass, Yovicsin taking the ball on the 10 and racing the remaining distance for a score. Blackwood converted on a placement.

The remainder of the game found little action with substitutes streaming from both benches. F. and M. took to the air in the fading minutes and three passes from Jacobs to Gifford, Snyder and Gifford in that order, moved the ball to the Gettysburg six at which point the game ended.

### Kingston Unbeaten

Kingston extended its two-year record of 12 consecutive triumphs by beating Plains for its fifth success of the season to strengthen its position in the Northern division.

Scranton Central knocked Carbondale from the unbeaten to threaten Kingston.

Ebensburg became the new Western conference leader, changing places with Tyrone. Ebensburg jumped to the top with its sixth straight although Tyrone's defending champion notched their seventh in a row.

Alquippa topped Ellwood City by one point to continue unbeaten in WPIAL ranks while Johnstown, Wilkinsburg, Ambridge, Clairton, Duquesne and Latrobe looked good in the same sector.

Bethlehem rolled along in the Big Fifteen, stopping Easton for its fourth straight. York was removed from the undefeated by a pass-crazy Reading eleven in a 21-20 thriller.

Other standouts were Philadelphia Germantown High, Lower Merion, Berwick, Coatesville, Swarthmore, New Castle, Bradford and Farrell.

Heavyweights will fight the 8-round semi-final, Lou Brooks of Philadelphia, meeting Yancey Henry, Pittsburgh negro. Three other bouts are listed.

game to both teams, the game was a comparatively dull affair with little enthusiasm shown from either side.

During the half time intermission the football used in the game was auctioned off to Glenn L. Bream for \$7,500 in war bonds. "Bill" Duncan, former Gettysburg resident and college alumnus was the auctioneer.

## FAVORITES BOW IN H.S. GAMES

### By JERRY WEINSTEIN

Harrisburg, Oct. 26 (AP)—Favorites continued to be blasted from the ranks of the undefeated in Pennsylvania scholastic football over the week-end when two conference leaders maintained their positions and two others were passed by rivals.

The termination of Altoona's four-year, 25-game victory streak highlighted the action. Windber, which upset Johnstown, WPIAL defending champion, earlier in the season, accounted for Altoona's downfall by a 13-7 margin.

Sunbury handed Hazleton its first big fifteen conference defeat but Shamokin, playing a non-league rival, held its lead.

Shenandoah, with seven straight victories, finally reached the top of the southern division in the Eastern conference as Mt. Carmel lost its unbeaten mark by 25-9.

### Kingston Unbeaten

Kingston extended its two-year record of 12 consecutive triumphs by beating Plains for its fifth success of the season to strengthen its position in the Northern division.

Scranton Central knocked Carbondale from the unbeaten to threaten Kingston.

Ebensburg became the new Western conference leader, changing places with Tyrone. Ebensburg jumped to the top with its sixth straight although Tyrone's defending champion notched their seventh in a row.

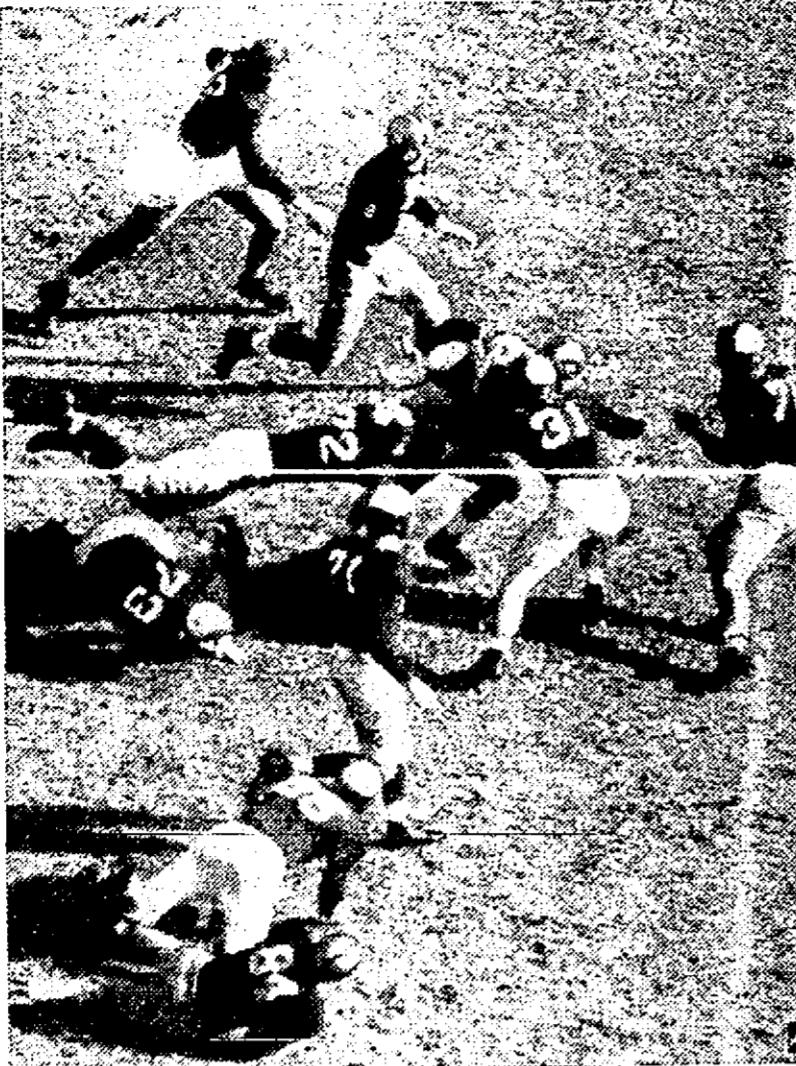

Alquippa topped Ellwood City by one point to continue unbeaten in WPIAL ranks while Johnstown, Wilkinsburg, Ambridge, Clairton, Duquesne and Latrobe looked good in the same sector.

Bethlehem rolled along in the Big Fifteen, stopping Easton for its fourth straight. York was removed from the undefeated by a pass-crazy Reading eleven in a 21-20 thriller.

Other standouts were Philadelphia Germantown High, Lower Merion, Berwick, Coatesville, Swarthmore, New Castle, Bradford and Farrell.

The oldest state is Delaware, which entered the union December 7, 1787.

## Army Captain Rips Through Harvard

Hank Mazur (45), Army left halfback and captain, of Lowell, Mass., rips into the Harvard secondary on a first period dash in the Army-Harvard game at Cambridge, Mass. He was stopped by Russell Standard (70), Harvard tackle, as Stephen Mallett (72), another Harvard tackle tries to stop him. The others are George Hibbard (73) Harvard; Charles Cowen (31) Harvard; George Boston (85) Harvard; and John Hennessy (84) Army. The Army won, 14-0.

## SHIPPENSBURG BOWS 12-7 TO BIGLER ELEVEN

Biglerville high school's scrappy football team pulled a big surprise Saturday afternoon by defeating Shippensburg high on the latter's field in a hard fought game 12-7.

The Cannons spotted the Greyhounds a 7-0 lead in the first period and then scored a pair of touchdowns, the last late in the final quarter to gain victory.

Shippensburg drove 65 yards after receiving the opening kickoff for its only touchdown. Reed, Bolton and Houck formed the spearhead of the drive that brought three straight first downs to the nine-yard line. After two plays failed to gain, Reed went off tackle for a score. Bolton added the extra point on a placement.

### Bigler Strikes Back

The Greyhounds kicked off to Fred Arnold who returned the boot 10 yards to his 30. Slaybaugh then got off on a 40-yard run on an off-tackle play to move the pigsink to the visitors' 30. Three tries by Fetters and Wentz brought but two yards and then Slaybaugh passed to Wentz on the 20 and he ran to the three aided by some fine blocking by Fetters, before being dropped. On two line plunges F. Slaybaugh made the necessary yardage for a score. A reverse, Slaybaugh to Wentz, failed for the extra point.

Shippensburg put on a drive late in the second quarter and lost the ball about four inches short of the goal line on down as the half ended.

# Gettysburg College Easily Defeats F. And M. 20-0 To Knot Long Series

## BULLET PASSES PROVE UNDOING OF DIPLOMATS

Gettysburg college snapped a two-game losing streak here Saturday afternoon by defeating an outclassed Franklin and Marshall football team in an Eastern Pennsylvania Conference game 20-0 before a Homecoming crowd of approximately 5,000 fans.

The victory evened the long series between the time honored rivals at 23 wins apiece with four ties.

Three times the Bullets found their attack stalled by a determined Diplomat defense after deep penetrations into enemy terrain but the inability of Coach Barker's lads to stop the Gettysburg aerial attack permitted Bullet tallies.

The Bream-men reached the F. and M. 2-yard stripe early in the first period but could not score. Following the kickoff and an exchange of punts, Chuck Beaver recovered a Diplomat fumble on the visitors' 34.

### Drive Fails

Jim Hardy went off right tackle and battered his way 14 yards to the 20. Aided by a 5-yard penalty and a six-yard gain by Wileman through the left side of the line, Gettysburg made a first down on the eight. Hardy picked up four yards through the right side of the line and Cervino added two at left tackle. Cervino failed on another line stab and on the final play Hardy was thrown for a three-yard loss, F. and M. taking over on the five.

Late in the period the Bullets took the ball on their own 30 and launched a drive which resulted in a touchdown on the first play of the second period. Hardy whipped a pass to Roberts which was good for 24 yards to put the ball on the F. and M. 43. On two plays Hardy got a first down on the 31. A pass, Hardy to Yovicsin, produced another first down on the 20.

### Penalty Helps

Hardy went around right end for 8 yards and a holding penalty put the ball on F. and M.'s one-yard line. The Diplomats put up another fine goal-line stand and held for three straight plays but on the first play in the second quarter Cervino plunged through for just enough yardage for a score. Blackwood booted the extra point on a placement.

The Bullets kept their opponents deep in their own territory in the second period and midway in the quarter took the ball on the F. and M. 44 through a punt. March and Powers reeled off a first down to the 32. Hardy then dropped back to midfield and hurled a 50-yard pass to Tony Yovicsin in the end zone for a score. Blackwood's kick was wide.

Aided by a 40-yard run by March which carried the ball to the enemy's 35, Gettysburg marched to the nine where it lost the ball. Hardy passed to Hart for 17 yards for a first down on the 18. Hardy picked up two yards on a line buck and after a pass was grounded and another completed for no gain. Hardy went seven yards through right tackle and just missed a first down, F. and M. taking over on the nine.

Trees punted out to his own 25. Beaver and March made a first down on the 13 but the Diplomats rebounded and took the ball on the eight.

### Pass For Another Score

Al Hart recovered Henderson's fumble on the 24 to set the stage for the final touchdown. Hardy again found the mark on a forward pass, Yovicsin taking the ball on the 10 and racing the remaining distance for a score. Blackwood converted on a placement.

The remainder of the game found little action with substitutes streaming from both benches. F. and M. took to the air in the fading minutes and three passes from Jacobs to Gifford, Snyder and Gifford in that order, moved the ball to the Gettysburg six at which point the game ended.

Coach Bream's boys made 11 first downs to the opponent's six. The Bullets completed nine of 19 passes with one being intercepted. F. and M. made good on four of 13 aerials, two being intercepted.

Jim Hardy, Gene Hass and Don Roberts played particularly nice games for Gettysburg although the entire team played good ball. Munro was the best ground-gainer for the Diplomats.

**Halas Leaves AS MENTOR OF CHICAGO BEARS**

Chicago, Oct. 26 (AP) — The

mighty heritage of the Chicago

Bears—one of football's greatest organizations—will pass on to a new head coach this week.

Speculation centered on either

Luke Johnson or heartily (Hunk) Anderson as the man to maintain

the pro grid dynasty built around the T formation by George Halas, who expects to take up duties in a few days at a midwestern naval aviation base as a lieutenant commander.

"I will name my successor Thursday or Friday," Halas said, after watching his bears give him a send-off by smashing the Philadelphia Eagles 45 to 14 yesterday.

Outstanding for Biglerville were

Ken Lawver, F. Slaybaugh, Wentz,

Baugher, sub tackle, and Fettlers and Arnold.

# SALESMEN ARE TAKEN FROM 'C' SPECIAL CLASS

Washington, Oct. 26 (AP)—A general tightening of eligibility for "C" rations of gasoline, in connection with nation-wide mileage rationing beginning November 22 was announced today by the Office of Price Administration.

OPA announced the elimination of all types of salesmen from the preferred mileage class. In the eastern mileage rationing plan most salesmen were barred from preferred mileage, but men engaged in the sale of productive equipment held necessary to the war effort were allowed "C" status.

Under the nation-wide mileage rationing program, "C" rations may be issued to certain maintenance and repairmen provided that transportation is not sought for purposes of selling, merchandising or promoting."

In no event will more than 470 miles of occupational driving a month be allowed unless the applicant is within one of the preferred mileage classifications.

## ARMY OF NILE

(Continued From Page 1) however, were said to be moving up to meet the advancing British forces, and it was these units upon which the full fury of the allied aerial assault was concentrated.

Official quarters gave few details yesterday on the progress of the land fighting, limiting themselves to the announcement that the enemy's main positions had been penetrated at some points, but there was evidence of quiet confidence in the outcome.

Lieut. Gen. B. L. Montgomery, commander of the Eighth Army, said that plans for the offensive had been well-laid and that its objective was to "destroy Rommel and his Army."

While the full strength of the forces massed by the allies remained a military secret, it was generally believed that they held superiority in men, tanks, guns and planes.

According to best estimates, Rommel has about 125,000 men at his disposal. These include two German armored divisions, two Italian armored divisions—the Trento and Folgoia; a German motorized division; a partially motorized German infantry division; and at least six Italian infantry divisions.

### No U. S. Ground Forces Used

No American ground forces were engaged in the initial operations, but the United States Army Air forces have been playing a major role.

A communiqué issued by U. S. Army headquarters yesterday said that fighters, fighter-bombers and medium bombers of the desert air task force had made continuous and repeated attacks on enemy positions, gun emplacements and motor vehicles.

Despite the extent of the allied aerial operations yesterday only 12 planes were reported lost, and the crews of some of these were saved. One Axis plane was downed—a disparity in losses apparently accounted for by the fact that few enemy aircraft dared take the air.

While the battle raged on in the Egyptian desert and in the skies above, British submarines continued their attacks on the enemy's Mediterranean supply lines in an effort to prevent Rommel obtaining reinforcements of men and equipment.

### Five Italian Ships Sunk

An Admiralty communiqué issued yesterday in London reported the sinking of five Italian supply ships, listed an enemy destroyer and an armed merchant cruiser as probably sunk and said that five other supply ships had been heavily damaged.

These losses, the bulletin said, brought to 24 the number of Axis supply ships sunk or damaged by British submarines in the Mediterranean during October.

## Hospital Report

William Runz, Flora Dale, was treated at the Warner hospital Saturday evening for lacerations of the face.

Charles Beaver, a student at Gettysburg college, received treatment Saturday for a laceration of the eye.

Mary Lazos, East Water street, submitted to an operation Sunday for the removal of her appendix.

Russell Snitz, Biddle R. 2, was operated upon this morning for the removal of his tonsils.

Admission over the weekend included Mrs. Henry Evers, Gettysburg R. 4; Mrs. C. A. Herzer, Buford avenue; Bonnie Lou Rothwein, York Springs; Mrs. Charles Champlain, South Washington street, and Mrs. Muri Shaffer, York street. Those discharged were Mrs. Jeanne Ruff, New Oxford; Mrs. Clotworthy Neubauer and infant daughter, Charlotte Louise, Taneytown, and Nathan Silverstone, of the Gettysburg airport.

### DELONE LOSES

Delone Catholic high school's football team lost its second straight game Sunday afternoon at McSherrystown. The women's basketball team, which had won three games in a row, suffered a 19-0 victory.

## An Evening Thought

Extremes are vicious, and proceed  
from men; compensation is just,  
and proceeds from God.—Bruyere.

Just Folks  
By Edgar A. Guest

## LITTLE GARDENS

I like the little gardens best, the  
fifty feet of soil  
That signify from spring to fall  
their owners' willing toil.  
The gardens large are grand affairs,  
but all the bodies tired  
In keeping lawns and hedges trim,  
from dawn to dusk were hired.

The little gardens gay with bloom  
proclaim devoted care.

Somebody long has braved the sun  
to have such neatness there,  
And someone rose at dawn, no doubt,  
those simple beds to weed  
And worked and saved and sacrificed  
for bush and plant and seed.

Behold, how soon disaster comes  
and ruin lays things bare  
And weeds beset all lovely things  
when gardeners cease to care.  
A week, and beauty is no more; two  
weeks, all charm has flown  
For little gardens cannot live without  
the love they've known.

## Today's Talk

By George Matthew Adams

ROBERT H. (BOB) DAVIS

One of the most beloved of all  
American editors and reporters—Bob  
Davis—will no longer wield that  
fountain pen of his, nor bring in life  
to those who deeply loved him, those  
undying tales of human experience  
and adventure that flowed so colorfully  
from that active and restless brain.

For over a quarter of a century  
I knew Bob Davis and loved him as  
a brother. From both mind and heart  
flowed constant streams of human  
understanding that brought delight and inspiration to millions. He never seemed to consider his own strength. Like the true reporter and writer that he was, he only sought to bring from that eternal spring  
of knowledge that he was forever accumulating, something to benefit others.

No editor in America ever brought  
from obscurity, and gave more encouragement, unstintingly, to more writers than did Bob Davis. He always had time to give a boost to an aspiring unknown, and those to whom he gave this—now numbered among the famous—are too numerous to mention. He was an editor with a soul, and a friend beyond all computation.

Wherever Bob went he planted himself there as a friend—and he traveled the world from end to end. Long will he continue to live in the books that bear his name, but longer will he live in the hearts of those for whom he was forever expending his strength in adding to their courage, enlightening their minds, and enriching their spirit.

All along that last route of his, on which he was engaged in gathering new material for his column in the "New York Sun," he sent me those characteristic notes for which he was famous, and I looked forward to our next meeting. Few will miss him more than I shall, who looked upon him as a master craftsman and an unloyed friend. He called me "boy," but that is what he was to the very end.

When John Galsworthy died his widow sent out a beautiful poem of him, which could well have been written by Bob Davis. It began with these words:

"God, I am traveling out to death's sea."

I who exulted in sunshine and laughter,

Dreamed not of dying—death is such a waste of me!"

No one will take the place of Bob Davis. He will remain in the hearts of those who knew and loved him—and there the memory of his vibrant personality will enrich each one he so much enriched in life.

## Price Control Slowing But Not Stopping Food Cost Rise

BEEF CATTLE  
PRICES REACH  
14-YEAR HIGH

BY FRANKLIN MULLIN

Chicago, Oct. 26 (AP)—Price control has slowed but not stopped, as yet, the wartime rise in the cost of the food basket, market statistics showed today.

Married: On the 20th inst., by the Rev. B. Keller, Mr. Simon Markel, to Miss Eva Forney, both of Cumberland township.

Night School: William D. Clark proposes to teach a select evening school for the instruction of ladies and gentlemen, to commence on Monday evening, the 24th inst.

On the same day by the same, Mr. Christian Muselman, to Miss Catharine Reiffe, both of Hamilton township.

On the 6th inst., by the Rev. Mr. Albert, Mr. Ephraim Keeth, of Hanover, to Miss Elizabeth Bauer, of Conewago township.

The good citizens of New York had a glorious time of it on the 15th inst., in celebrating the introduction of the Croton Water into that city. And well they might—for they celebrated the completion of one of the most extensive and costly, and at the same time useful, enterprises of ancient or modern times. The day was a general holiday and the city was crowded with strangers from all parts of the country. The display was a magnificent one, of which glowing accounts are contained in the New York papers.

Beef Cattle Advanced

On the other hand, beef cattle have advanced slightly, average prices reaching a 14-year high. Lambs are about 1 cent a pound higher and eggs about ½ cent a dozen higher. Most types of poultry have shown little change but some, like hens, are up as much as 3 cents a pound. Potatoes are unchanged to slightly higher. Butter is unchanged. Butter and egg prices are at ceiling levels.

Died: On the 12th inst., Mr. Joseph Stockslager, of Freedom township, in the 44th year of his age.

SEVENTY-FIVE YEARS AGO

Accident: Dr. O'Neal, of that place, cut his right hand a few days ago while forcing a cork into a glass bottle, the bottle breaking. We are requested by the doctor to say that in consequence of the injury, he will not be able for a few days to attend to his patients out of town.

Married: Culp-Grean—On the 20th inst., by Mr. Bushman, Mr. Franklin R. Culp to Miss Anna C. Green, both of this town.

Hartzell—Eppleman—On the 13th inst., at the residence of the bride's father, at Centre Mills, by Rev. D. W. Wolff, Mr. George P. Hartzell to Miss Lizzie Eppleman.

Lyday—Wistotzkey—On the 15th inst., in this place, at the residence of George C. Strickhouser, by Rev. W. R. Deatrich, Mr. Silas W. Lyday, of Smithburg, Maryland, to Miss Sallie W. Wistotzkey, of this place.

Mehrung—Krumrine—On the 10th inst., at the residence of Mr. John Krumrine, by Rev. S. Henry, Mr. Alexander S. Mehrung to Miss Anna Eliza Krumrine, both of Union township, Adams county.

Felix—Felix—On the 9th inst., by Rev. B. A. Shorb, Mr. Plus D. Miller to Miss Maggie Felix, both of Mountpleasant township.

Norris—Lightner—At Westminster, Maryland, on the 2d of January last, by Rev. J. E. Bradford, Luther C. Norris to Amanda Lightner, both of Adams county, Pa.

Roth—McLaughlin—In Arentsville, on the 20th inst., by Rev. M. Snyder, Mr. George W. Roth to Miss Caroline McLaughlin, both of this county.

Shubert—Bowers—On the 1st inst., by Rev. B. A. Shorb, Mr. Michael Shubert to Miss Mary Bowers, both of Union township.

Simpson—Kauffman—On the 15th inst., at the residence of the bride's parents, by Rev. S. R. Sechrist, Mr. Charles H. Simpson, of York Springs, Adams county, Pa., to Miss Annie Kauffman, of Andersonburg, Perry county, Pa.

Socks—Dill—In Baltimore, on the 25th ult., by Rev. Mr. Brandau, Mr. Mell Socks of Cumberland township, Adams county, Pa., to Miss Kate Dill, of Baltimore.

Sterner—Carpenter—Tuesday morning in this place, at the M. E. parsonage, by Rev. G. W. Bouse, Jeremiah Sterner, of Washington city, to Mary Ellen daughter of Dr. John Carpenter, of Franklin township.

Stewart—Myers—On Thursday, at the residence of his bride's parents, in this place, by Rev. G. W. Bouse, assisted by Rev. M. Bushman, Rev. Henry F. Stewart, of New Brighton, Beaver county, Pa., to Miss Sallie E., eldest daughter of Peter Myers, Esq.

Koontz—Baugher—On the 17th inst., by Rev. Samuel Yingling, Mr. Washington Koontz, of Silver Run, Md., to Miss Catharine Baugher, of Berwick township.

Lott—Eicholtz—On the 23d inst., by Rev. E. Breidenbaugh, Mr. Henry A. Lott to Miss Sue E. Eicholtz, both of Cumberland township.

Philipps—Atter—On the 13th inst., in Littlestown, at the Reformed parsonage, by Rev. J. M. Clemens, Mr. William Philipps to Miss Julian Atter, both of this county.

Capt. H. N. Minnigh has sold his house and lot in Bendersville, to John Bender for \$1,500.

Wm. Overdear has sold his house and part lot in Bendersville to Capt. H. N. Minnigh, for \$1,500.

Rachel Bender has sold her house and lot in Bendersville, to George W. Tipton, for \$600.

## Flashes Of Life

## SMOKING THEM IN

Scranton, Pa.—The Rev. Harold C. Case believes he has solved the problem of declining attendance at his Sunday night service. He invited men of the Elm Park Methodist congregation to puff away on their cigars, cigarettes and pipes in the church basement so they could discuss the underlying causes of war and the meaning of peace "with frankness." The minister calls his successful service "the boiler room forum."

## RECKLESS HIS RECORD

Oklahoma City—A zealot for traffic safety, Police Inspector Dan Hollingsworth was proud of his unblemished driving record during 11 years as an officer. While making his last inspection tour—he enlisted in the Navy last week—another driver crashed into the back of his police cruiser. Hollingsworth's official report was that of his first accident as a policeman.

## HIS DREAM MAN

Denver—Fully clothed, Bob Coffield lay down for a nap in his room. When he woke up his pants had been removed and left neatly folded across a chair. But his wallet, containing \$99, was gone.

## WOMAN'S WORLD

Chicago—The armed bandit who held up Miss Marjorie Topaz and her escort discovered that it's a woman's world. He searched her companion, and found neither cash nor valuables. Then he relieved Miss Topaz of \$21.

REVISE PLANS  
ON PRODUCTION

Washington, Oct. 26 (AP)—Ships emerged today as the sole armament category in which the country's war plants were certain to meet—and probably surpass—the 1942 "blueprint for victory" goal announced by President Roosevelt last January.

The President's disclosure in yesterday's Press conference that the production program was being revised to turn out fewer but harder hitting war planes and tanks, occasioned no stir in War Production Board circles where the fact has been accepted that shifting strategic needs have necessitated some major shifts in production emphasis.

More "realistic" schedules have been set, WPB spokesmen said, and the equivalent of the Presidential goals will be produced in the form of weapons calculated to have the greatest impact on the enemy.

Auditor General F. Clair Ross, the Democratic nominee, made the accusation as the 1942 general election campaign moved into its final week. He asked Martin for an explanation and called on Banking Secretary John C. Bell, Jr., Republican candidate for Lieutenant Governor, to "tell us the facts."

Martin insisted "every dollar" of the inheritance went to his creditors and declared Ross was "unburdening himself of reckless charges in a vain attempt to bolster his campaign which was already collapsed under the weight of his own ineptitude." Bell was not available for comment immediately.

## CROWDED SCHEDULES

Both candidates, meanwhile, arranged crowded schedules calling for daily speech-making leading up to the November 3 ballot when control of the commonwealth for the next four years will be decided. Postmaster General Frank C. Walker, a native Pennsylvanian, will deliver a radio address at Scranton Wednesday night for Ross and other Democratic candidates while Governor James will go on the same night in support of the GOP ticket.

Ross raised the inheritance issue during the week-end in a letter to Martin asking "when you settled your debt to the closed Washington, Pa., Trust company for 12½ cents the dollar, why did you hide a \$50,000 inheritance?"

Martin said he accepted his father's estate under the interstate act, "which I was not required to do," adding "this placed my inheritance in the pool with my other assets, from which all creditors were paid. Every dollar of this inheritance went into the pool and was distributed to my creditors."

All of this, continued Martin, "is a matter of court record and was properly approved in open court, all

for \$30 per acre, Capt. J. B. Miller purchasing part, and H. J. and George Hemler the balance.

Solomon Bender has sold his valuable farm in Menallen township, 137 acres, to Joseph Cline for \$11,000.

Capt. H. N. Minnigh has sold his house and lot in Bendersville, to John Bender for \$1,500.

Wm. Overdear has sold his house and part lot in Bendersville to Capt. H. N. Minnigh, for \$1,500.

Rachel Bender has sold her house and lot in Bendersville, to George W. Tipton, for \$600.

License Bureau Swamped By Rumor

Lancaster, Pa., Oct. 26 (AP)—Fall always has been the "marrying season" in Lancaster county, home of the "plain people" sets, but the License Bureau wasn't prepared for what happened last week.

Six clerks were kept busy answering telephoned requests for information, as many calls coming from women as from men.

Someone had started a rumor that the government was going to ration marriage licenses.

Japs Napping

They caught the Japanese napping, for not until the last bomb racks had been emptied did Japanese fighters challenge the bombers pulling away in their tight and still unbroken formations.

There was a hot time for a few minutes when enemy Zeros and I-45's swarmed toward the bombers

only to be scattered by American fighter pilots.

Two enemy planes were claimed

by gunners of General Haynes' leading

bomber co-piloted by Major D. O. Bailey of Burley, Idaho, and in which rode Lieut. Col. Herbert Morgan of Freedom, Pa., the bombardier commander.

It was interesting, too, that Duke

## U.S. FLIERS

(Continued From Page 1)  
without the loss of a plane despite Japanese efforts at interception.

## Tokyo's Version

Attempting to minimize the raids on Hongkong, the Tokyo radio said that damage was negligible in the first one and that the raiders "were forced to turn tail" by fire of Japanese anti-aircraft guns in the second. The Tokyo broadcast gave the time of Sunday's raid as 3:30 p.m. and Monday's at 1:30 a.m.

As a passenger in one of the Sunday raiders I saw the American bombs starting mammoth fires in Hongkong and I watched challenging Japanese fighter planes shot down in flames by American bomber gunners and fighter pilots.

In Hoban's first game Lehigh held Yale to a 6-6 halftime, then weakened. The Engineers scored first against Penn State, but lost 19-3, then turned back a good Penn Millitary crew, 13-0.

Most observers didn't think the Engineers could beat Rutgers, but they forgot about the great playing of Stan Szymakowski, of Greenfield, Massachusetts, Bernie Deehan, of Belleville, New Jersey, and Harry Arant, of Kulpmont, Pa. Szymakowski kicked three field goals, scored one touchdown, kicked one extra point and helped set up the other touchdowns by Deehan and Arant.

## Not a Doormat

This adds up to the fact that Lehigh isn't a doormat anymore.

Lehigh's triumph over the Scarlet Knights was perhaps the most surprising development of a week-end that saw Manhattan upset Duquesne; Penn State beat favored Colgate on a 54-yard pass from Bobby Williams to Cliff St. Clair, and Penn, looking ahead to Army, bury Columbia under a 42-12 score.

The week's happenings left St. Vincent, Juniata, Haverford, Lock Haven and East Stroudsburg in the unbeaten and untied class. Geneva fell from the charmed circle by taking a 26-0 pasting from Youngstown.

Long stretches of the once humdrum dock area in Hongkong were blown up by the bombers and several ships were hit. Fierce fires were licking at warehouses and other buildings as the American planes headed for their base.

## First Hongkong Attack

It was the first-time the Japanese conquerors of Hongkong had been attacked in the stronghold since they occupied it last Christmas.

While the bombers were visiting Hongkong, six other American fighters found 20 Japanese fighters in the air over South Yunnan province, southwest China, and shot down three planes and probably destroyed four more without loss of American aircraft. This brought the day's score over China to 13 Japanese planes certainly destroyed and probably nine others.

The Hongkong raid started at 1 p.m. and the pilots, picking their targets easily in bright sunshine, spilled their bombs from medium altitude.

Japs Napping

They caught the Japanese napping, for not until the last bomb racks had been emptied did Japanese fighters challenge the bombers pulling away in their tight and still unbroken formations.

There was a hot time for a few minutes when enemy Zeroes and 1-45's swarmed toward the bombers only to be scattered by American fighter pilots.

Two enemy planes were claimed by gunners of General Haynes' leading bomber co-piloted by Major D. O. Bailey of Burley, Idaho, and in which rode Lieut. Col. Herbert Morgan of Freedom, Pa., the bombardier commander.

In the first enemy pass at our planes one Zero dived almost past the nose of the second element bomber in which this correspondent was taken along. It disappeared below, but whether it was hit I was unable to tell.

An area about a mile and a half in length along the waterfront was hit with high-explosive bombs which tossed geyser of debris and smoke hundreds of feet into the air. In between salvos of the heavy stuff the bombers sprinkled the area with fire bombs which quickly started braces.

One great burst of greasy black smoke indicated a square hit on a petroleum storage tank.

Some bombs burst right at the water's edge where small ships were clustered. One ship, possibly a destroyer, received a direct hit and a fiery boat appeared to have been blown up.

There was a notable lack of large ships in the harbor, one of the world's largest. The biggest merchant ship seen, 7,500 tons, was some distance out.

## LITTLE GARDENS

I like the little gardens best, the  
fifty feet of soil

That signify from spring to fall  
their owners' willing toil.

The gardens large are grand affairs,  
but all the bodies tired

In keeping lawns and hedges trim,  
from dawn to dusk were hired.

The little gardens gay with bloom  
proclaim devoted care.

Somebody long has braved the sun  
to have such neatness there.

And someone rose-at-dawn, no doubt  
those simple beds to weed

And worked and saved and sacrificed  
for bush and plant and seed.

Behold, how soon disaster comes  
and ruin lays things bare

And weeds beset all lovely things  
when gardeners cease to care.

A week, and beauty is no more; two  
weeks, all charm has flown

For little gardens cannot live without  
the love they've known.

## Today's Talk

By George Matthew Adams

ROBERT H. (BOB) DAVIS

One of the most beloved of all American editors and reporters—Bob Davis—will no longer wield that facile pen of his, nor bring in life to those who deeply loved him, those unying tales of human experience and adventure that flowed so colorfully from that active and restless brain.

For over a quarter of a century I knew Bob Davis and loved him as a brother. From both mind and heart flowed a constant stream of human understanding that brought delight and inspiration to millions. He never seemed to consider his own strength. Like the true reporter and writer that he was, he only sought to bring from that eternal spring of knowledge that he was forever accumulating, something to benefit others.

No editor in America ever brought from obscurity, and gave more encouragement, unstintingly, to more writers than did Bob Davis. He always had time to give a boost to an aspiring unknown, and those to whom he gave this—now numbered among the famous—are too numerous to mention. He was an editor with a soul, and a friend beyond all computation.

Wherever Bob went he planted the seeds of Cumberland townships there as a friend—and he ship. Adams county, Pa., to Miss Kate J. Dill of Baltimore. Long will he continue to live in the books that bear his name, but long will he live in the hearts of those parishes, by Rev. G. W. Bouscaren, of New Brighton, Beaver county, Pa., to Miss Sallie E. oldest daughter of Peter Myers, Esq.

Koontz—Baugher—On the 17th inst., by Rev. Samuel Yingling, M.C., Washington Koontz, of Silver Run, Md., to Miss Catharine Baugher, of George H. Baugher, of Franklin township.

Stewart—Myers—On Thursday, at the residence of his bride's parents, in this place, by Rev. G. W. Bouscaren, of New Brighton, Beaver county, Pa., to Miss Sallie E. oldest daughter of Peter Myers, Esq.

Koontz—Baugher—On the 17th inst., by Rev. Samuel Yingling, M.C., Washington Koontz, of Silver Run, Md., to Miss Catharine Baugher, of George H. Baugher, of Franklin township.

Lott—Eicholtz—On the 23d inst., by Rev. E. Breidenbach, Mr. Henry A. Lott to Miss Sue E. Eicholtz, both of Cumberland township.

Phillips—Atter—On the 13th inst., in Littlestown, at the Reformed parsonage, by Rev. J. M. Clemens, Mr. William Phillips to Miss Julian Atter, both of this county.

Property Sales: J. M. Walter has sold his house and half lot on the south side of York street to Wm. H. Rupp, for \$250 cash.

Henry B. Weimer has sold his farm in Butler township, 84 acres, for \$2,725 to Jacob B. Troslett.

The farm of John Blair, in Mount Pleasant township, has been sold

"God, I am traveling out to death's sea."

I, who exulted in sunshine and laughter,

Dreamed not of dying—death such a waste of me!"

No one will take the place of Bob Davis. He will remain in the hearts of those who knew and loved him, and there the memory of his vibrant personality will enrich each one he so much enriched in life.

## ONE HUNDRED YEARS AGO

It is said that Joe Smith, the Mormon leader, has been arrested at Carthage, Illinois.

Night School: William D. Clark proposes to teach a select evening school for the instruction of ladies and gentlemen, to commence on Monday evening, the 24th inst.

Married: On the 20th inst., by the Rev. B. Keller, Mr. Simon Markel, to Miss Eve Forney, both of Cumberland township.

On the 6th inst., by the Rev. Mr. Albert, Mr. Ephraim Keeth, of Hanover, to Miss Elizabeth Bauer, of Conowago township.

The good citizens of New York had a glorious time of it on the 15th inst., in celebrating the introduction of the Croton Water into that city. And well they might—for they celebrated the completion of one of the most extensive and costly, and at the same time useful, enterprises of ancient or modern times. The day was a general holiday and the city was crowded with strangers from all parts of the country. The display was a magnificent one, of which glowing accounts are contained in the New York papers.

The day was ushered in by a salute of 21 guns from the Battery, and the ringing of the bells of the various churches of the city. The procession was very long, having occupied two hours and a quarter in passing the battery, and almost every branch of industry was appropriately represented.

Died: On the 12th inst., Mr. Joseph Stockslager, of Freedom township, in the 44th year of his age.

SEVENTY-FIVE YEARS AGO

Accident: Dr. O'Neal, of this place, cut his right hand a few days ago while forcing a cork into a glass bottle, the bottle breaking. We are requested by the doctor to say that in consequence of the injury, he will not be able for a few days to attend to his patients out of town.

MARRIED: Culp—Green—On the 20th inst., by M. Bushman, Mr. Franklin R. Culp to Miss Anny G. Green, both of this town.

Hartzell—Eppleman—On the 13th inst., at the residence of the bride's father, at Centre Mills, by Rev. D. W. Wolff, Mr. George P. Hartzell to Miss Lizzie Eppleman.

Lyd—Wistzkey—On the 15th inst., in this place, at the residence of George C. Strickhouse, by Rev. W. R. Deatrich, Mr. Silas W. Lyd, of Smithburg, Maryland, to Miss Sallie J. Wistzkey, of this place.

Auditor General Edward Martin, Republican candidate for Governor, delayed claiming a \$50,000 inheritance until after settling a closed bank debt.

Auditor General F. Clair Ross, the Democratic nominee, made the accusation that as the 1942 general election campaign moved into its final week, he asked Martin for an explanation and called on Banking Secretary John C. Bell, Jr., Republican candidate for Lieutenant Governor, to "tell us the facts."

Moreover, as WPB Chairman Donald M. Nelson has pointed out, armament objectives have been set higher than can be attained in order to stimulate the greatest possible effort.

Crowded Schedules

Both candidates, meanwhile, arranged crowded schedules calling for daily speech-making leading up to the November 3 ballot when control of the Commonwealth for the next four years will be decided.

Postmaster General Frank C. Walker, a native Pennsylvanian, will deliver a radio address at Scranton Wednesday night for Ross and other Democratic candidates while Governor James will go on the air the same night in support of the GOP ticket.

Ross raised the inheritance issue

during the week-end in a letter to Martin asking "when you settled your debt to the closed Washington Pa. Trust company for 12½ cents on the dollar, why did you hide a \$50,000 inheritance?"

Martin said he accepted his father's estate under the interstate act, "which I was not required to do," adding "this placed my inheritance in the pool with my other assets, from which all creditors were paid. Every dollar of this inheritance went into the pool and was distributed to my creditors."

All of this, continued Martin, "is a matter of court record and was properly approved in open court, all

for \$30 per acre, Capt. J. B. Miller purchasing part, and H. J. and George Henler the balance.

Solomon Bender has sold his valuable farm in Menallen township, 137 acres, to Joseph Cline for \$11,000.

Capt. H. N. Minnigh has sold his house and lot in Bendersville, to John Bender for \$1,500.

Wm. Overdean has sold his house and part lot of ground in Bendersville to Capt. H. N. Minnigh, for \$1,500.

Rachel Bender has sold her house and lot in Bendersville, to George W. Tipton, for \$600.

## Missouri Halfback Retains Scoring Lead

New York, Oct. 26 (AP)—Bob Steuber, the human adding machine who plays left halfback for the University of Missouri football team, annexed 20 more points Saturday and easily retained his grasp on the nation's scoring honors.

Steuber outscored the Iowa State college tacklers for three touchdowns and converted two of them, the day's efforts bringing his total for six games to 63 points.

His one-day outburst, however, was surpassed by Jim Secrest, University of Rochester halfback, who counted five touchdowns, and was approached by all-American Frank Sinkwich of Georgia, who got three touchdowns, raised his total to 66 points and took over second place.

Gene Fekete of Ohio State, erstwhile runnerup, grabbed eight points in his team's win over Northwestern but skidded to third with an aggregate of 60. Secrest's 54 gave him fourth place.

The first railway opened in Scotland in 1812 was worked by horses.

Deatrick of Latrobe, and their son, the Rev. Emmett Colestock, have returned from Philadelphia where they visited another son, Chauncey Colestock and family.

Relatives and friends arranged a surprise party during the past week to honor Mrs. J. Frank Feiser, of Lincolnway east, who observed a birthday. Guests included: The William Garber family, of Dillsburg; Mrs. Nellie Garber, of Gettysburg; John Deardorff, of McKnightstown; the Jonas Wolfe family of near Hampton; J. O. Garber, of Hampton; Mrs. Fred F. Feiser, Miss Ruth Feiser, J. Frank Feiser, and the Roy Garber family, of this section.

Mr. and Mrs. Harold Bushey, of Hanover, she the former Miss Lucy Robinson of New Oxford, announce the birth of a son last week at the Hanover General hospital.

The infant daughter of Mr. and Mrs. Joseph Robinson, Orange street, has been named Sandra Louise. The mother and baby have returned home from the Hanover General hospital. The child was christened during the week at St. Mary's Catholic church by the pastor, the Rev. Robert D. Hartnett. Her godparents were Mrs. W. R. Russell and J. R. Robinson of this section.

Mr. and Mrs. Arthur Noel and family, Carlisle street, had as guests during the week James Baker and family, of Hanover.

Thomas French, who resides near town with his brother-in-law and sister, Mr. and Mrs. Frank Borries, has left for a visit with his parents, Mr. and Mrs. Gabriel French, Louisville, Kentucky. He is accompanied by Joseph Noel, of New Oxford.

Ralph Miller, a son of Mrs. Lulu Miller, has enlisted recently in the Navy and is stationed in Philadelphia. He has returned there after a short visit with his mother.

Mrs. William Miller, of Bloomsburg, recently visited her son, Dr. Wilbur Miller, and his family at their home on Lincolnway east.

Mrs. Amanda Menges continues to improve at the home of her son-in-law and daughter, Mr. and Mrs. Clair Slagle, where she has been ill for more than a week.
